### Not a golfer, but want to help?

Fort Defiance Humane Society serves the 39,000 citizens of Defiance County and the surrounding areas.

We are a private, non-profit organization with 93% of our operating income coming from donations, grants, and fees.

FDHS employs the only Humane Agent servicing the Defiance County area. In 2020, we responded to 148 calls of potential animal abuse/neglect. Many of those calls led to further legal action, fines, restitution, forfeiture of animals, and other ramifications.

During 2020, 373 dogs and 141 cats entered the shelter with a 99% and 98% rehoming rate respectively by the end of December. FDHS also offered low-cost spay/neuter options to our community at the FDHS surgery suite. During the year, Dr. Karen Pedden performed 422 public and 228 shelter animal spay/neuter/wellness procedures, in addition to other medical treatments/surgeries necessary for our shelter animals.

Your support helps FDHS give the animals of Defiance County a second chance and ensures the best possible treatment and quality of life while in our care. Your kindness makes a difference!
