

ABOUT FDHS

Fort Defiance Humane Society serves the 40,000+ citizens of Defiance County, as well as surrounding areas. We are a private, nonprofit organization with 93% of our operating funds coming from donations, grants, and fundraisers.

Every year hundreds of animals enter the shelter with a 97% & 98% rehoming rate by the end of December. These animals rely on us for life-saving medical care that they need before they can be adopted to their new families.

FDHS employs the only Humane Agent serving Defiance County. We also offer the community a low-cost spay/neuter clinic in our onsite surgery suite and a pet food pantry.

Your support allows us to provide safe shelter, spay or neuter surgery, medical services, nutritious food, and care to homeless and abused animals. It allows us to continue the services to our community. Participation in this event helps FDHS give the animals of Defiance and surrounding areas the second chance they deserve.

Your kindness and generosity DOES make a difference!
